

To our Valued Customers of GoMulch Fast Landscape Solutions stores;

We Are Open! As a part of the essential industry and as a critical service defined by the Department of Homeland Security and the State of Florida, Our GoMulch stores will remain open to provide product and services to our customers. We are taking every precaution to protect our associates and you as the customer following the recommendations of the CDC.

Your cooperation is appreciated

Here is what we are doing:

- We will be closing all stores at 4 p.m. weekly and 12pm Noon Saturdays to ensure additional time to replenish essential products and thoroughly clean and sanitize our stores daily.
- We are making masks and gloves available to all associates in the workplace
- We made substantial updates to our store floor layouts to further support the CDC's guidelines for social distancing
 - Added floor markers spaced 6-feet apart to help guide customers at our registers
- We have implemented call ahead ordering at each site. Customers can call ahead, pay for their order over the phone by Credit or Debit card, and pick up at the store all without getting out of their vehicle
- Offering Home or Jobsite Delivery to customers that do not want to leave their homes and still want products to work with
- We are encouraging our associates to continue to wash/ sanitize their hands and all touched areas along with following all CDC recommendations for stopping the spread of viruses and germs.

Thank you,

Be Safe, Be Kind and Be Great

GoMulch Management
